

The Barns at Redcoats

The Barns

Refurbished in 2018, The Barns now boasts all the quirky historic features intertwined with stylish design and the latest technology - purposely built with events in mind.

The lovingly restored barns create the unique space for your event - all just 30 minutes from London.

Please contact us for further information...

Meet

If you're looking for somewhere to blow away the corporate cobwebs, we know just the place. Less than half an hour away from London, we've worked hard to curate a safe and nurturing environment that's perfect for retreats, takeovers, all-day conferences and banqueting to impress.

Bumblebee Collective

Bumblebee Collective creates curated events and experiences at the Barns, these include morning yoga, mixology, photography and beekeeping.

Gather, guzzle & grow with us

Our Barn guests never go hungry.
Under the watchful eye of Sherwin Jacobs Executive
Chef, we can offer a menu that strikes the
imagination and delight guests.
All our dishes are prepared with the finest quality
ingredients, sourced from nearby farmers and
suppliers.

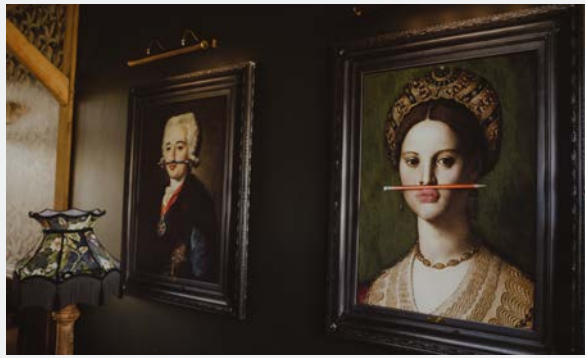

Sleep

Each of our 27 bedrooms has a personality of its own, whether you are staying in the characterful, charming farmhouse or our stylish renovated barn bedrooms. You will be treated to comfy beds, indulgent bathrooms and all the little touches to ensure you'll wake up refreshed and ready for our hearty farmhouse breakfast.
